

COMING SOON ! THE SAKURA EMPLOYER 'ONE STOP' SHOP !

As we continue in our efforts to invest and improve our range of services AND the efficiency of these services for our clients - this will mean that in 2022 you will see :

- more videos, information and '**Step by Step**' guides for both Employers AND employees on a variety of payroll and '**auto enrolment**' pension issues
- introduction of more features of **The Payroll Online Portal (powered by SAGE)** to simplify employee '**starter**' and '**leaver**' processes, as well to simplify Employer '**approval**' of payroll and timesheets
- introduction of a completely **NEW** HR admin software platform to simplify the management of employee annual leave, sickness and key policies etc.

So What's Changing Now ?

There will be incremental changes as we continue through 2022, which will mostly involve reducing the number and necessity of emails between you, Sakura and your employees AND encouraging the use of **GDPR compliant** online portals for the management and sharing of personal data !

The increased use of the features of **The Payroll Online Portal (powered by SAGE)** will not impact on any of our current '**day to day**' relationships, but will provide Employers and their employees with easier access to their **OWN** payroll information.

Additionally we are very **EXCITED** to be finalising our detailed research into a HR admin software platform that can work alongside our existing payroll software, but will resolve the frustrations of many of our clients around

1. **APPROVING** and **RECORDING** of employee holiday
2. Recording employee **SICKNESS**
3. Avoiding '**bottlenecks**' in holiday leave - through access to a single **Dashboard view**
4. Access to '**real time**' employee **REMAINING** holiday leave
5. Support with preparing various Company and Employment **POLICIES**
6. Access to a desktop and **MOBILE** app for Employers and employees

The Next Steps ?

We are aiming to launch the **NEW** features for **The Payroll Online Portal (powered by SAGE)** ahead of the end of the tax year, with the HR admin software being launched shortly afterwards !

If you are keen to find out more information in the meantime, then contact feel free to contact damian@sakurabusiness.co.uk !
